WHAT HAPPENED THIS MONTH

[Plain-language summary of the month: what the system handled, anything notable, any incidents and how they were resolved.]

MAINTENANCE & IMPROVEMENTS PERFORMED

- ✦ [Hosting & monitoring — uptime maintained]
- ✦ [Updates or refinements applied]
- ✦ [Data hygiene — duplicates cleaned, records verified]

RECOMMENDED FOR NEXT MONTH

[Opportunities observed in your data — e.g. dormant candidates worth reactivating, a bottleneck worth automating next, a market signal worth acting on. Presented for your decision; nothing proceeds without your approval.]
